VI. REPORTS

REPORT OF THE CONFERENCE BOARD OF TEMPERANCE OF THE SOUTH CAROLINA CONFERENCE

Your Board of Temperance, at the beginning of this conference year, gave as it always has, serious consideration of the alcohol problem and all of its attending evils.

It was in this mood that we appraised our resources for its solutions. We have learned to trust our progress both to scientific and spiritual understanding. It is only upon these two strong supports that our annual conference can advance the cause of good citizenship through total abstinence. Your Board has gained new insights, discovered new methods, and employed practical techniques for effective service in the interest of sobriety.

We believe it is a sacred duty to inspire our people to take the initiative and to go on the offense for the cause of true temperance.

It is not enough to enact protective laws, or even to secure commitments of abstinence among our people. We must challenge them to the kind of action that will demonstrate the superior advantages of abundant life, free from the influence of intoxicants. In order to achieve victories beyond the cure and prevention of "alcoholism," and freedom from the more devastating disadvantages of "Moderation," it is incumbent upon us.

1. To live radiantly and winsomely in the full joy of attractive temperateness.
2. To teach children and youth that it is smarter not to drink.
3. To challenge adults to find wholesome ways of social togetherness without the use of artificial stimuli.
4. To organize church and community groups for study and action against liquor aggression, and for the creative adventure in holier living.
5. To secure and support trustworthy persons for the dependable leadership in government, business and educational institutions, and to insist upon the enactment and enforcement of sound laws for the protection of the innocent against the pushful designs of selfish enterprises.

Moving towards these goals, we have this conference conducted four institutes . . . one for the Sumter, Florence, and Bennettsville Districts at Darlington, one at Bethel Church near St. Stephen on the Berkeley District for the Charleston and Berkeley Districts, one at Bamberg for the Orangeburg and Beaufort Districts and one on the South Greenville charge for the Greenville District.

The attendance at all these institutes was most encouraging. We had quite a few high school students at each one and they threw themselves into the problem wholeheartedly and exhibited keen interest in the problem of alcohol and health.

We had on our faculty such men as President R. Wright Spears of Columbia College, President J. J. Seabrook of Claflin College, Dr. Walter Evans of Monck's Corner, Dr. A. D. Betts, one time Executive Secretary of the Temperance Federated Forces of South Carolina, Howard G. McClain of the Christian Action Council of South Carolina, J. T. W. Mims of State Council of Alcohol Education, Professor Warren Jenkins, our Conference Executive Secretary of Christian Education, and our own Chairman, Dr. A. R. Howard of the National Board of Temperance.

We would pause here and now to give a word of appreciation for the fine spirit of cooperation of the District Superintendents of the above named districts.

Our Board sent one of our members to The School of Alcohol Studies and Christian Action held at Illinois, Wesleyan University, June 11-15, 1951, in the person of the Rev. I. DeQuincy Newman. He won a certificate upon completion of the course on Alcohol Studies and is prepared to teach this course.

Our goals for the ensuing year are:

First—We propose to train a cooperative leadership that will carry out the challenging abstinence program envisioned and ordered by the General Conference of the Methodist Church.

Second—To approach the solution of the problems of Alcohol with a clear understanding.

Third—To inspire action in all the areas of individual and social life where values of human personality and community welfare can be enlarged.

Fourth—To make clear to all our members the importance of commitment day, to keep our people informed about legisla-

tion affecting the liquor problem, and to urge our people to vote for proper legislation.

Fifth—That we accept membership with the social action committee and ask the Conference to nominate three persons, one of which shall be elected by the Social Action Committee to membership.

With the support and cooperation of our District Superintendents we aim to continue our institutes with trained leadership.

Respectfully submitted,
A. R. Howard

REPORT OF THE CONFERENCE MISSIONARY SECRETARY

Bishop Shaw, Members of the Conference and Friends:

As Conference Missionary Secretary, I have endeavored to promote Missionary Education and Cultivation in the Conference on the district level. We adopted a uniform program for the District Institutes of Missionary Education and Cultivation as a pattern for the Conference.

Institutes were held on each district in the Conference. We had some one day institutes, on some of the districts, and on others a period was given to institute work during a district group meeting, or convention. The institutes were well attended, and much interest was manifested. The Woman's Society of Christian Service shared in the institutes on some districts. The District Superintendents have been most helpful in planning and setting up our work. The Resource Leaders did an able job in their presentations.

I attended some of the Institutes, and the District Superintendents assisted in my transportation, since our budget was so very small for promotion and travel. I have also attended the School of Missions held at Camden, operated by the Board of Education of the Conference and the Woman's Society of Christian Service, it is our hope that the Board of Missions of the Conference, shall become a participating member of this school. I have attended all the meetings of the Conference Board.

Our Objectives

1. A continuation of the District Missionary Institutes on each district, enlisting the coordinated services of the Woman's Society of Christian Service.

2. To promote a closer cooperation between District Missionary Secretaries and the Secretaries of Missions of the Woman's Society of Christian Service in the promotion of Missionary Education and Cultivation, and circulation of World Outlook, our Missionary Journal.
3. To organize a Board of Missions on the charge level in each charge.
4. To promote schools of Missions on the charge level, where practicable and possible.
5. To promote the study of the current Board annual study book (The Negro and Methodism) The Conference is supplying each Missionary secretary with a copy of this book.

(We nominate Rev. T. R. Frierson and Julius Williams for the Jurisdictional Conference.)

Sincerely,

J. W. Taylor, Conference Missionary Secretary.

REPORT OF THE CONFERENCE BOARD OF MISSIONS AND CHURCH EXTENSION—1950-1951

During this conference year the Board of Missions and Church Extensions held four (4) meetings. Our mid-year meeting was held at Kingstree, at which time a study was made as to needed and worthwhile projects. The meeting was well attended by members of the Board and Ministers in general.

A special study is being made of the new church to be developed at Travelers Rest.

The Board of Missions and Church Extensions makes the following recommendations:

1. That after Conference with the Resident Bishop, as to the need of developing a worthwhile project or projects, that five thousand dollars be raised by the Conference for the Board of Missions.

2. That where possible on a District that Maintenance be directed to the Church or Churches that may become self-supported.
3. That Ministers building new Church structures will submit their plans to the Board of Church Extensions first for advice and help.
4. That where possible applications for gifts, rather than loans should be made.
5. That where loans are made, that every effort be made to meet the terms of the loan each year until it is paid in full.
6. That the Conference through the Board of Missions will follow through one project until it is completed.
7. That a workshop be held each year with the School of Missions.

REPORT OF THE COMMISSION ON CHRISTIAN VOCATIONS

To Bishop Shaw and Members of the South Carolina Con-

ference of the Methodist Church, it is a pleasure for us to submit this our second report of the Commission on Christian Vocations. We, as a Commission, embarked on what was a new program in the field of Christian Education. At the last General Conference an Interboard Commission on Christian Vocations was established. This Commission stated that: "Its purpose shall be to develop plans and to correlate efforts for the more effective enlistment and guidance of persons in vocations in the church and its agencies, and to interpret to the church through its several agencies the total field of vocation in Christian terms. It shall give leadership in developing a philosophy of Christian Vocation, always stressing the potential sacredness of all useful work. It shall lead in discovering and making known the various needs of the church at home and abroad. It shall seek to enlist Youth for Christian service through all of the appropriate agencies of the Church."

RECOMMENDATIONS

The Commission on Christian Vocations of the South Carolina Conference is aware of the needs of the Church, and wishes to submit the following recommendations:

1. That we have three Conferences:
 - a. Training Conference for Workers.
 - b. Meeting with those who made commitments and those interested in the Ministry.
 - c. Second Campus Career Clinic.
2. That we have a follow-up program of the conference District and local churches.
 - a. That the student secretary of the Women's Society of Christian Service be invited to work with this follow-up program.
3. That persons making commitments be referred to proper sources.
4. That each district through its Board of Education recruit young people for college training who have made commitments to pursue Christian careers and inform the college of same.
5. That scholarships be awarded on the district level after an investigation has been made as to the economic status of the student and upon recommendations of the District Boards and the District Superintendents.

The Chairman wishes to thank the members of the Commission and the Commission wishes to thank Bishop Bowen, Pastors, Laymen and other members of the South Carolina Con-

ference for your cooperation in helping to make this year's work a success.

REPORT OF THE TOWN AND COUNTRY COMMISSION

The work of the Commission on Town and Country work is comparatively new to us here in the South Carolina Conference. However, it is the hope of this Commission that during the next quadrennium we will be able to go forward with a constructive program in the Advance for Christ and his Church.

We, your Committee, hereby submit the following recommendations:

1. That we help create in our pastors a deeper sense of missions through pastors' schools, rural life institutes, and effective literature.
2. That we urge the adoption of a minimum salary plan in the Conference, and the use of the architectural service of the Board in the improvement and building of churches and parsonages.
3. To see to it that there are no unchurched areas within our territory.
4. That we make our churches community centered, by working with all cooperative Church agencies building together a Christian community.
5. To assist our young people to find a place on the land and in the community. To achieve this end, we urge the establishment of a farm and home committee in every rural church.
6. To emphasize the significance of the Town Church as it is often the key to the success or failure of the churches in the surrounding rural areas.

The Committee,
R. C. Conner, Chairman
T. W. Bowen, Secretary

REPORT OF CONFERENCE SECRETARY OF EVANGELISM

Presiding Bishop, Ministers and Laymen of the South Carolina Conference, I wish to express my appreciation for your support during the past conference year.

Most of the districts of the Conference were visited last

year. In each one we emphasized the program of visitation and preaching evangelism. On several of the districts we were successful in setting up district committees on evangelism.

In response to call of the Bishop and the leaders of the Church, I participated in the Area-Wide program of Evangelism that was held in Atlanta and Vicinity, September 7-14, 1951.

Your Secretary attended the meeting of Conference Secretaries of Evangelism held in Albion, Michigan in the month of July. Much valuable information was gained at the meeting which I have since been putting into practice here in our own Conference.

We had the pleasure of conducting evangelistic efforts with remarkable results on many of the charges during the year.

GOALS

(1) Special days and seasons, such as Lent, Easter, National Family Week, Pentecost, Aldersgate and World Wide Communion Sunday.

(2) District Secretaries of Evangelism organized for more intensive evangelistic efforts on district and sub-district basis.

(3) Sunday evening evangelistic services and mid-week prayer fellowships in local churches.

(4) Great emphasis on the Christian Family Movement.

(5) A stronger note of evangelism in our local Church Schools, Youth Fellowships, district and sub-district youth meetings, and summer gatherings.

(6) More careful training and spiritual preparation for both youth and adults before receiving them into full membership in the Church.

(7) Shepherds, the magazine which the General Board sends to all Pastors to be read carefully so that we can keep informed, and in step with the great on going program of advance for Christ and His Church.

H. J. Kirk,

Conference Secty on Evangelism

REPORT OF THE CONFERENCE LAY LEADER

Bishop Shaw, Bishop Bowen, Members of the South Carolina Conference and Friends:

It is with a deep sense of devotion and respect I submit to you this, my first report as Conference Lay Leader.

I wish first to give thanks to our Bishop Bowen and our several District Superintendents, especially Rev. J. W. Curry, Rev. I. D. Newman, and Rev. M. J. Porter, for their helpful guidance as I began my work in a field of great opportunity for service of Lay Activities.

As Conference Lay Leader I have tried to first learn the policies and opportunities offered by our Board of Lay Work.

First, we have stressed on the part of all laymen a whole-hearted support of the program of our Conference. And, in this way a growing interest in the total work of the church has been and is experienced in the laymen. Concrete evidence of this can be seen in the attendance at group meetings on the district level as well as attendance at our Annual Conference of serious thinking laymen interested in the building of a Bigger and Better Conference and winning of souls for Christ.

Secondly, we have stressed the organization of Methodist men in each of our churches for the corralling of men and boys and harnessing their energies for the promotion of the church.

The reports of the District Lay Leaders are that the district retreats are bearing more and more fruit in developing a sense of willingness to work in the general program and in helping laymen to realize much more their opportunities to become a co-worker in the upbuilding of God's Kingdom here on earth.

With an increase in the interest of the laymen of the South Carolina Conference we make the following recommendations:

1. That laymen consider it their personal duty to cooperate with the pastors and District Superintendents and help put over the program of the church.
2. That Laymen's Day be observed in each church and that laymen help to make the observance an effective one.
3. We recommend that special attention be given the organization of Methodist men in each church.
4. That a District Laymen Retreat be held on each district when appropriate and a Conference Lay Retreat for the purpose of developing interest in Laymen in the work of the Church.

In conclusion, many thanks to all for the encouragement and patience in the work as I hope to grow in service of helping God's Kingdom come and be an aid to mankind.

Respectfully submitted,
Samuel T. Middleton

WELCOME TO BISHOP SHAW AND MRS. SHAW

The South Carolina Conference, C. J., in its 86th annual session, meeting in the city of Florence, S. C., October 24-28, 1951, extends a cordial welcome to Bishop Alexander Preston Shaw and Mrs. Shaw.

Whereas, it has pleased Almighty God for the Reverend A. P. Shaw to be elected to the high office of the Episcopacy of the Methodist Church.

Whereas, each of the 19 annual conferences of the Central Jurisdiction has had the benefit of his wise counsel and fatherly guidance as the presiding officer with the exception of the South Carolina Conference;

And whereas, through the thoughtful and gracious invitation of our Resident Bishop John W. E. Bowen, the S. C. Conference now, meeting in Florence has that privilege.

Be it resolved that we the members of the S. C. Conference, hail the coming of Bishop Shaw with gladness, and extend to him a welcome which becomes the Methodists of this Palmetto State, South Carolina;

Be it further resolved, that we pledge ourselves to make this conference, which seems to be among the last which Bishop

Shaw will hold before his retirement, a pleasing experience to him, a blessing to Methodism, and a satisfaction to God our Heavenly Father.

Respectfully submitted,
The Members of the Cabinet

REQUEST FOR THE RETURN OF BISHOP BOWEN

We, the members of the South Carolina Conference, Central Jurisdiction, meeting in the Eighty-sixth annual session, in the city of Florence, South Carolina, October 24-28, 1951, realize the benefits and blessings which have been ours during the quadrennium 1948-1952 in having Bishop J. W. E. Bowen as our Resident Bishop.

Whereas, the interest which he has manifested in the growth of the Conference in service and quality has been seen and felt;

Whereas, the spirit which he has exhibited has been that of brotherly kindness and fatherly guidance, thereby causing such spirit to be intensified in the Conference and the Atlantic Coast Area in general;

And whereas, the type of program which he has promoted during this quadrennium seems to be affective in the building of the Kingdom of God on earth;

Be it resolved that the South Carolina Conference, meeting in Florence, S. C., this twenty-fourth day of October, 1951, request the committee on Episcopacy of the Central Jurisdictional Conference or those who may be responsible for the assignment of the bishops, to return Bishop John W. E. Bowen to the Atlantic Coast Area as Resident Bishop;

And the delegates to the said Jurisdictional Conference be instructed to work for the return of Bishop J. W. E. Bowen to the Atlantic Coast Area as Resident Bishop for another quadrennium.

Respectfully submitted,
The Cabinet

RECOMMENDATIONS OF THE BOARD OF EDUCATION

2. That Race Relations Sunday Funds, total amount as per paragraph 198 of the discipline, be sent to our conference Treas-

urer to be sent to the General Board of Education for Claflin College.

3. That Methodist Student Day funds be sent to the conference Treasurer to be sent to the General Board of Education for Student Loan Fund as per paragraph 197 in the discipline.

4. That Church School Rally Day be observed and funds be sent to the conference Treasurer earmarked "The Board of Education."

5. That World Service Sunday be observed the fourth Sunday in each month in the Church schools and funds be used for World Service. Keep in mind that the service and contribution have educational value.

6. That our students in high school be encouraged to attend Claflin College; the names and addresses of those in the senior class be sent the Executive Secretary.

7. That every church be represented in whatever program, institution or training session sponsored by the Board of Education.

8. That special attention be given the Methodist Youth Fund.

9. That every pastor support the School of Missions and Leadership Enterprise to be held at Mather Academy.

10. That the Camp and Training Christian Workers School at Mather Academy be changed to Intermediate Camp and Christian Workers School.

11. That all District Superintendents submit to the Executive Secretary the names of their educational staff.

12. That there be a Senior-Young People Camp and Christian Workers School held at Claflin College.

13. That preparation be made in the beginning of the year for district and local church programs of Christian Education.

14. Whereas, there has been an overwhelming demand from time to time for scholarship for worthy students from various charges over the conference. Whereas, we feel these worthy young people should not be denied the opportunity for a college education. Therefore, be it resolved that each local church be encouraged through its youth organization and church school to raise necessary funds to supplement expenses of worthy stu-

dents. This money should be sent directly to the college as a scholarship for the student from that charge. This will encourage the young people of the charge to get an education and also return to local community and render service.

15. Whereas, the College is the child of the South Carolina Conference. Whereas, Claflin College makes a unique contribution to the area in which it is situated and to the ministry of the church. Whereas, phenomenal progress has been made in the construction and renovation of the physical plant and the securing of a competent faculty, whereas for the first time in the history of the institution it has an "A" rating. Whereas, the present program needs to be rounded out in order to keep what has been achieved. And whereas, much is given in the way of scholarship to the students who enroll in the institution. Therefore, be it resolved that the South Carolina Conference note its responsibility to the institution both spiritual and financial.

Respectfully,

H. V. Manning, President

REPORT OF THE BENNETTSVILLE DISTRICT

T. D. Greer, District Superintendent

Bishop Shaw:

I beg leave to make this my first annual report as Superintendent of the Bennettsville District.

The Bennettsville District consists of nineteen charges and thirty-seven churches. The total active and inactive membership of six thousand, three hundred and forty-seven (6,347). Most of these churches have active Sunday Schools with a total membership of one thousand, seven hundred and sixty-four (1,764). I found that most of the churches are insured and have their deeds and titles in the proper hands.

The benevolent side of the church has been stressed and most of the men have made good reports. Some are one hundred percenters which you will note in their reports.

We have had one death in person of Rev. S. Pearson on November the thirteenth, 1951, otherwise the ministers and their families have been in good health.

On February 11-15 the District sponsored an Institute, Adult Workers with Youth, at St. Michael church at Bennetts-

ville station which was very helpful under the leadership of Dr. Joseph Bell and Dr. Warren Jenkins.

On May 16th the Bennettsville, Sumter and Florence Districts sponsored a tri-District pastor's efficiency conference; which was held on the Florence District at Mt. Zion Methodist Church at Timmons ville. Rev. S. A. Gadson entertaining pastor. This conference was very helpful to the entire South Carolina Conference. We were graced to have present our Bishop J. W. E. Bowen who made a very interesting address on his recent visit to Africa.

On July 11-13 the District Conference was held at Centenary Methodist Church at Hartsville, South Carolina. Rev. J. F. Pearson entertaining pastor. All the business pertaining thereto was observed and carried out with one young man, Mr. Harold Cypis recommended for admission to this annual conference. We humbly submit this our report.

Respectfully,

T. D. Green

REPORT OF THE BEAUFORT DISTRICT

H. B. Jones, Superintendent

Bishop Shaw, Members of the South Carolina Annual Conference and Visitors:

"All glory, honor, power and might be given to Him who sitteth upon the throne." It is through Him that, I come to make my report for the Beaufort District, South Carolina Conference. I have traveled throughout the District, visiting every Charge and preaching the Gospel as God gave me power. I believe that much good has been accomplished from the same.

The Monster Death visited the Beaufort District early in the year. On January 8th, the Reverend J. J. Mitchell, our pastor of the Ruffin Charge fell asleep. And as the Poet states, "Death found him on the field. His sword was in his hand still warm with recent fight." He leaves to mourn his passing a devoted wife, one daughter and one son.

The health of the Reverend Wiley H. Huggins failed on July 24th. He was stricken in the right side and has been unable to carry on since.

Much emphasis has been placed upon the Educational and Spiritual work of the District, especially the Evangelistic phase.

A greater year in Evangelism is the aim in order that more souls might be brought to Christ.

It was my privilege to attend the following meetings during the year:

The District Superintendent's Council of the Atlantic Coast Area, Mobile, Ala., Dec. 19-22, 1950. The National Meeting on Town and Country work, Sioux City, Iowa, July 19-24, 1951. The A. C. Area Evangelistic Meeting, Atlanta, Ga., Sept. 9-14, 1951. They served to enrich and strengthen my life for service in a greater manner.

District Meetings:

District Planning Meeting, December 1—Pastors and District Workers set the Year's Goals; Group Meeting and Missionary Institute, Feb. 19th and April 9th respectively. Emphasis on Evangelism and Ecumenical Methodism.

District Conference, July 11-13. The Spiritual tide was high and the various phases of the work of the Church were ably presented.

Achievement Day for the Daily Vacation Church School Work, July 31st closed our Schools while on May 26th, plans for this and the schools were made at a Planning Conference. Five hundred children and workers were present with some very splendid exhibits and Presentations of the work done. It is believed that the next year's work along this line will be greater due to this sharing on Achievement Day.

Church School Institute, September 19-21—The Theme was "Advance through Christian leadership. Informal Study Groups on the Work with Children, Youth and Adults.

The Woman's Society of Christian Service held an Annual Meeting in May and an Educational Seminar in September. They, too are advancing since the welcome visit of Miss Theresa Hoover, the Field Worker.

The Minister's Wives met and planned their work. Their report shows advance.

Appreciation is extended to Rev. W. M. Jenkins, our Executive Secretary for the service given and encouragement shown.

October 8th, the last meeting was to make reports for this year.

IMPROVEMENTS

The following Charges have made improvements:

Aiken—Church painted; Bamberg—roof of church painted, bathroom built and equipped in the parsonage; Ehrhardt—Church covered lights installed and windows replaced and pump for drinking water put down; Ruffin—Church and Parsonage painted inside, liquidated debt on Parsonage, Parsonage furnishings made and some money raised on a new building at Sykes-Savannah Church; Hickory Hill—Cement blocks bought for the erecting of a new church; Walterboro—Cumberland Church—beautified, both inside and out, gas heating system installed at Wesley Church; Youngs Island—St. Paul Church is far on the way in building its new Church; —Wesley Church, renovated inside and out; Macedonia—Church destroyed by fire; plans are well under way for rebuilding; St. George—New pulpit furniture bought at Shady Grove; bathroom installed at Parsonage; Trinity Church completed; Stokes-Heaven Gate—Oak Grove Church; money raised on new church; Jacksonboro—completed inside painting of church.

The total budget for the District has not been raised to our regret. But, we are grateful to God and to the Pastors and Laymen for an outstanding increase along all lines.

Just at the close of the year, on October 21 and 22, the District was visited by our Resident Bishop, J. W. E. Bowen. He was the guest of the Mt. Carmel Church at Bamberg. He preached two great sermons. Large congregations heard him and went away rejoicing. We had a great time. The pastor, Rev. J. W. Devore and the people gave him the best entertainment possible.

Respectfully,
H. B. Jones

BERKELEY DISTRICT REPORT

R. W. President, District Superintendent

Bishop Bowen and members of the South Carolina Conference, I am rendering this my annual report as follows. It has been a pleasure to work with the Ministers and Laymen of the Berkeley District this year. I have held four Quarterly Conferences on each charge and they seem to be spiritually alive. The Church Schools are active with an average attendance of 705. A Woman's Society of Christian Service is to be found on every Charge.

At the first group meeting of the year the program was outlined and the budget was accepted with a smile. And we are happy to report that the entire budget has been paid, plus.

The Pastors and Laymen have been loyal in their word, hence there has been some improvement on most of the church buildings.

Bishop, Brethren, I am willing to serve in that which is small. If I can't do great things for him I will certainly do one. If I cannot be Aaron at the altar, or a Moses to guide the tribe, I am willing to do whatever my hands find in the work of the Lord.

Faithfully yours,
R. W. President

FLORENCE DISTRICT ANNUAL REPORT

J. W. Curry, District Superintendent

Bishop Shaw, Members of the South Carolina Conference and Friends:

It is true that through the years, an account be given annually of the service rendered by those who serve in the capacity of the District Superintendency. Thus I present to you my sixth such report, in humility and thanksgiving to God.

As the names of our brethren who have died since last we met will be read, the members of the Florence District have been spared for further service on earth. Also the hand of affliction has been very kind to us and dealt very lightly with the 19 pastors, their families, the one retired minister and the four widows. In the closing days of the conference year, Mrs. N. W. Green was called from labor to reward. For many years she had rendered valuable and effective service in Cumberland Church and on the District.

District Training Program

It is impossible for one to serve in any given field or position without becoming more and more sensitive to his mission, and the needs of that which has been added to the District Training Program. Efforts have been made for the presentation, explanation, and interpretation of all the phases of the church program. This has been done for the smallest congregation on the district as well as the larger points which may be

fortunate in having more and better trained leadership. Always, special emphasis is placed on the adaptability of the churches program to the local church.

The training program was begun in December of '50 with the initial group meeting, at which time the year's program was launched. During the year we held Joint Quarterly Conferences, which proved to be very effective in stimulating the work on the participating charges.

The Tri-District Efficiency Conference was held. The co-operating districts were the Bennettsville, Sumter, and Florence. Bishop Bowen gave us the benefit of his leadership with highlights from his visit to Africa.

The work of the Youth of the district was given special attention. During the early part of the year there was held a "Youth Activity Week." The Conference Executive Secretary of the Board of Education assisted by Rev. Bell of the Board of Education, Nashville. The Caravan of five alert young people who received training at Lake Junaluska, N. C. visited three points on the district, spending one week each.

The usual emphasis was placed on the Children's work, the Laymen, W.S.C.S., the Missionary Institute and Evangelism. The Daily Vacation Church School boasts of the 2806 children who attended 29 different schools the district over.

Membership and Evangelism

A trained, warm evangelism is the foundation of the church. The foundation is not organization and offices and finance. These are only servants of, and crutches for evangelism. We have attempted to ever keep this hard before us. The District Secretary of Evangelism, Rev. C. J. James returned from the Area Evangelistic Mission and Clinic which was held in Atlanta, Ga., in September, and inspired the district to concerted action in Evangelism for the new conference year. Because of such an effort the previous year the district was greatly blessed.

For the past six years it has been my pleasure and opportunity to serve as District Superintendent in the South Carolina Conference. This experience has been of great benefit to me. It has included both joys and problems, but always the cooperation and brotherly spirit of the pastors have been manifested. Without the support of the pastors and laymen nothing could have been accomplished.

All of the above I submit to you in the name of Him who moves surely toward conquest; and under whose leadership we shall storm every fortress of spiritual unbelief, and shall conquer every citadel of difficulty.

Respectfully submitted,
J. W. Curry

REPORT OF THE ORANGEBURG DISTRICT

M. J. Porter, District Superintendent

Bishop Shaw and representatives of the South Carolina Annual Conference:

After having completed the fifth year as District Superintendent of the Orangeburg District, I bring with pleasure and gratitude an account of my stewardship. The year has been a wonderful one to me. We have fifteen Charges on the District. I have visited each of these Charges, have held Quarterly Conferences, have had the honor of preaching in them, and I found all of these churches working to promote the Kingdom of God.

The District Board of Evangelism, under the leadership of Rev. Fulton Edwards as Chairman, and Rev. T. H. Fisher, District Missionary Secretary, is promoting a real program of Evangelism in some of the churches.

We have established Daily Vacation Bible Schools with consecrated teachers and eager youngsters. Our regular Church Schools have shown good attendance and increased interest.

Much of the credit for this fine work is due Mrs. J. L. Harrington, President of the District Board of Education; Rev. W. M. Jenkins, Conference Executive Secretary, and Co-workers in the District in cooperation with the Pastors and their co-workers in each Charge.

It is gratifying to note the emphasis placed on stewardship. To foster this spirit of stewardship among the people is an important part of Church work and our laymen are doing a grand work along this line.

It is necessary that our people keep in touch with the affairs of the Church. We urge the use of religious literature in the home. Especially do we recommend reading of the "Advocate" in every home. This is our paper. It keeps us in touch with what is going on in the denomination. It makes us aware of the part each activity plays in the world-wide mission of the

Church. It makes us religious-minded at a time when the problems of the world call for religious thinking.

We are stressing the need for Temperance in all things. Thanks to Dr. A. R. Howard for his helpful lectures and sermons within the District on Temperance.

The retired ministers: Rev. Summers and Cooper, seem to be in poor health. Revs. Cunningham and Reeder seem to be enjoying reasonable health. They ask the prayers of the Conference.

It is with sadness that I must report the death of Rev. J. S. Miller on April 4, 1951 and Rev. T. J. Robinson, May 23, 1951, also Bro. C. W. Caldwell, the former Conference Lay Leader. They served their Lord well; now they rest from their labors in the heavenly Kingdom where they will always be with Him.

I am happy to report that the Annual Conference Budget has been raised in full, the 11% of pastor's cash salary, and the 1¾% of pastor's cash salary for Episcopal fund.

Respectfully submitted,
M. J. Porter, Dist. Supt.

REPORT OF THE SPARTANBURG DISTRICT

G. A. Thomas, District Superintendent

Dear Bishop and Members of the Conference:

Swift winged time has flitted by like a breath. Another year has taken its flight, and with gratitude to Almighty God, I am before you to render this my first Annual Report as District Superintendent of the Spartanburg District.

Bishop Shaw, we welcome you here to preside over this the South Carolina Conference. We hope that your stay among us will be pleasant and a source of inspiration in every way.

I shall endeavor to give in this report a clear but brief account of the condition of the Spartanburg District. It is situated in the Piedmont Section of the State where the hills are high, rugged and rough and the soil is red, clammy and hard when dry, but muddy and mean when wet and stirred. The Spartanburg District is one of the small districts of the Conference, but it is so only in membership. In size and responsibility it is full grown.

This district extends from where King's Mountain and Henry Knob on the North West shake hands across the line that

separates North and South Carolina as they kiss the first rays of the rising sun, and from where the rocky ribs of Tryon and Saluda Mountains on the North join North and South Carolina as they lift their rugged heads looking southward as in an effort to gaze upon the restless waters of the Atlantic, until it loses itself among the sandhills of Lancaster, Kershaw, Fairfield and Lexington Counties on its way to clasp hands with the Bennettsville, Sumter and Orangeburg Districts, and embraces the counties of Spartanburg, Union, Cherokee, Chester, and York. This District is small, however, in membership but a more loyal group cannot be found.

Though the Spartanburg District has more than twice the territory of and less members than any of the other districts, its members are the most loyal and liberal we have in the Conference, which you will note in the reports.

The Spiritual condition of the people is good. We still believe in the old time religion. We believe in an evangelical repentance and a genuine conversion. Many of the charges have had glorious revivals and many have been added to the church.

Personal labors: Every interest of the church has had my personal attention. I have traveled to every part of the district four times on my regular rounds, holding quarterly conferences, preaching and lecturing upon various phases of the church work and the various benevolent causes.

The work in general: Most of the 22 Charges have wrought well and some few have raised 100% for all claims. The lives of all the brethren have been spared and none of them have been seriously hampered by sickness. With but one exception, there has been no death in any of their families.

In May the sweet spirit of dear Sister Marcus, the wife of Rev. F. Marcus, went home. She had been with him through all of the vicissitudes of the Christian ministry and had sympathized with him in all of the troubles incident thereto, and was faithful to the end. She had been a great sufferer, but borne it all with patience and fortitude. It is all over now, she has entered into rest.

The District's Membership: There are 3386 full members, 109 probation, 114 accession, 60 baptism, 51 deaths, 371 inactive.

Sunday Schools: 859 on roll—Average Attendance—540.

Finance: The Spartanburg District has raised:

Budget	\$6,492.00	
P. Relief	1,463.00	
Ep. Fund	296.50	
Advance	94.00	
Flood Relief	39.00	
Fellowship & Suffering	15.00	
Total	\$8,399.50	
Ministers	500.00	
	\$8,899.50	\$8,899.50
Gold Cross	9.00	6,339.51
	\$8,908.50	Increase \$2,559.99

I owe a debt of gratitude to all of the brethren for their kindness to me in many ways.

Respectfully submitted,
G. A. Thomas, Dist. Supt.

REPORT OF THE SUMTER DISTRICT

Bishop Shaw, and brother ministers and laymen of the South Carolina Conference:

It is with a deep sense of humility and appreciation that I submit my first annual report as district superintendent of the Sumter District.

The Sumter District consists of eighteen pastoral charges. Four of these charges are stations and the others are circuits of two or more churches, all with an aggregate of more than six thousand members. The district is compact, embracing most of Sumter, all of Lee, about half of Kershaw counties and one church in Darlington County. Traveling from Sumter the farthest point on the district can be reached within three quarters of an hour.

My report is divided into six main topics.

(1) **The Ministers and their Families.** In general the ministerial family of the Sumter District has been blessed with good health. We realize, however, that in the midst of life we are in death. We sustained this year the loss of three ministers; the Rev. J. W. A. Butler, retired; the Rev. J. G. Stokes, retired and

REPORT OF THE SUMTER DISTRICT

Bishop Shaw, and brother ministers and laymen of the South Carolina Conference:

It is with a deep sense of humility and appreciation that I submit my first annual report as district superintendent of the Sumter District.

The Sumter District consists of eighteen pastoral charges. Four of these charges are stations and the others are circuits of two or more churches, all with an aggregate of more than six thousand members. The district is compact, embracing most of Sumter, all of Lee, about half of Kershaw counties and one church in Darlington County. Traveling from Sumter the farthest point on the district can be reached within three quarters of an hour.

My report is divided into six main topics.

(1) **The Ministers and their Families.** In general the ministerial family of the Sumter District has been blessed with good health. We realize, however, that in the midst of life we are in death. We sustained this year the loss of three ministers; the Rev. J. W. A. Butler, retired; the Rev. J. G. Stokes, retired and

the Rev. John W. Williams, Jr., a member of the Conference on trial and at the time of his translation was rendering acceptable service as pastor of the Macedonia-St. Paul Charge.

We say of these our promoted fellow workers:

"They brightened all the joy of life
They softened every frown;
But, O 'tis good to think of them
When we are troubled sore;
Thanks be to God that such have been,
Though they are here no more."

(2) **Interim Appointments.** Due to some post-annual conference adjustments, the Rev. R. B. King was removed from Mayesville to Lamar, the Rev. J. B. Rouse was transferred from the Florence District and sent to Mayesville and the Rev. K. D. Hough was appointed District Missionary Secretary to succeed Rev. S. A. Gadsden who had been transferred to the Florence District. The Rev. William Ferguson upon graduating from Boston University was assigned to the pastorate of the Macedonia-St. Paul Charge where a vacancy existed due to the death of the Rev. John W. Williams, Jr.

(3) **Evangelism.** The program of evangelism was given top priority on the Sumter District. A Clinic on Evangelism was held in connection with our District Conference under the leadership of the District Secretary of Evangelism, the Rev. K. D. Hough. One of the most forward steps then during the year along the line of evangelism was the setting up of the district committee of evangelism. The District participated in an Area Evangelistic Mission in Atlanta Conference, having been represented there by the District Superintendent, the District Secretary of Evangelism, and also, the Rev. H. J. Kirk.

The 228 accessions on profession of faith during the year bespeak the emphasis we endeavored to place on the importance of evangelism.

(3) **Christian Education.** In the month of December the District Church School Staff was called together and, in conference with Dr. Joseph W. Bell of the Youth Department of the local Church Division of the General Board of Education and Rev. Warren M. Jenkins, our Conference Executive Secretary of Christian Education, a series of programs was designed to meet some immediate needs facing young people and their adult councilors. As a result of these conferences a "Fellowship of Adult Workers with Youth" was held at Trinity Church,

Camden and a "Week-End M. Y. F. Institute was held at Emmanuel Church, Sumter.

Eight young people from the District attended the National M. Y. F. Conference at Perdue University.

The District was favored with the presence and help of our Conference M. Y. F. Caravan on two of the Charges of the District; Camden Circuit and Macedonia-St. Paul.

A Vacation Church School Workers Institute was held at Ephesus Church, Vacation Church Schools were held on all the Charges of the District with an aggregate enrollment of 1,858. Seven hundred eighty of these children attended and participated in the Vacation Church School Achievement Day program held at Wesley Chapel.

(5) **Missionary Education.** In order to facilitate the program of missionary education as well as Christian education and the other phases of "Church Work" the District has been organized into Sub-District groups. We were favored with the presence of our Conference Lay Leader, brother S. T. Middleton, who emphasized in his address the importance of stewardship cultivation.

We ask the prayers of the conference while we continue building the kingdom of God on the Sumter District.

I. DeQuincey Newman,
District Superintendent

RESOLUTIONS

Bishop Shaw, presiding bishop of the South Carolina Conference now in session, Cumberland Methodist Church, Florence, South Carolina.

Whereas, it has pleased Almighty God to permit us to assemble in this Annual Conference session, for the specific purpose of kingdom building in the hearts of humanity, and whereas, we know reconsecration in prayer can come only through Jesus Christ the Son of God, and whereas this Christly work must be undergirded, with the inspiring challenge of willing loyalty in the daily performance of duties, Ministerial and Layety.

And whereas, through the years we have found it necessary in thinking and doing as we approach conclusions and aspirations in kingdom building; And whereas, the beauty of this perfection must come from God;

Therefore be it resolved:

First, That we go on record as standing, only for ideals of righteousness; That we forget not the cause nor place of vision where we may behold the world vision.

Resolve Secondly, that though legions of odds be against us, and though we be firmly convinced that we must labor through perilous storms of hatred, envy and heart-breaking discriminations, yet through all we behold and feel the unseen, everlasting and Almighty hand of God the Father, God the Son, and God the Holy Ghost.

And because of this devastating period of war in other lands, the urgent need is, that as servants of the most high God, we must so live, that we may share with him the task of overthrowing the kingdom of sin, and establish the kingdom of righteousness.

For be it known that much work in our Master's name must be done before the achieving victory may be realized and truth and righteousness established.

Therefore be it known, that we have come to this mount of vision, humbly inspired by the spirit of Almighty God, seeking to do something worthwhile for our Master.

Resolve further, that we reconsecrate ourselves to God in that word and deed, and demonstrate in our exemplifying lives by guarding our lives, controlling our appetites and bridling our tongues.

Resolve further, that we thank Bishop Shaw for his most efficient service, and that the constituency of the South Carolina Conference go on record as accepting and putting into effect his wonderful and masterful teaching; brotherly kindness, timely patience and earnest endeavor throughout the deliberations of the conference. May the Lord bless, preserve, and keep him as he continues such work.

Resolve further, that we thank all officers of the conference for the faithful performance of their duties, and visitors, Ministerial and Layety, for their presence, excellence in speech, and deportment. Last but not least, the pastor, choir, members and friends for their very efficient and hospitable manner in which we were entertained. Yes, we thank one and all, trusting, with God's blessing we may dwell in the house of the Lord, forever.

Your Committee,
B. J. Cooper
R. C. Conner
Mrs. Ellie Palmer

**CONFERENCE BOARD OF HOSPITALS AND HOMES
S. C. CONFERENCE, 1951**

**REPORT OF THE CHAIRMAN, C. C. REYNOLDS
SHOWING ALL MONIES RAISED TO DATE 10-25-'51
AND RECOMMENDATIONS FOR 1952**

According to the actions taken, by the South Carolina Conference, at Spartanburg, S. C., in 1950, only "Participating and Retired Pastors" are eligible for aid from funds accumulated by the Conference Board of Hospitals and Homes, through its Golden Cross Sunday projects. Consequently, the following record will show the number of "Participating Pastors" by Districts, and a Financial resume of all monies raised to the above date.

After being fully organized in 1949, the Conference Board of Hospitals and Homes requested that the third Sunday in September, 1949, be observed as: "Golden Cross Sunday." But, due to the fact the Conference Board did not have any funds for cultivation, "Golden Cross Sunday" was not generally observed that year. However, the Conference Chairman, C. C. Reynolds, contacted each Member of the Conference Board and requested them to observe "Golden Cross Sunday," September 18, 1949; to demonstrate the possibilities of our Golden Cross work. And the following Charges, represented by members of the Conference Board, observed Golden Cross Sunday and reported as follows:

Orangeburg Station, Prof. H. D. Smith	\$10.75
Mt. Holly, Mr. Frank Sass	10.00
Dillon Station, Mrs. M. S. Gordan	7.25
Camden Station, Mrs. L. W. Reed	7.00
Bennettsville Station, Rev. C. C. Reynolds	7.00

Consequently, a total of \$42.00 was raised no "Golden Cross Sunday" in 1949. And by action of the South Carolina Conference in Orangeburg, S. C., by recommendation of the Conference Board, this amount was set aside for cultivation; and the third Sunday in September, 1950 was designated as: "Golden Cross Sunday."

With this small sum of \$42.00 for cultivation, the Conference Chairman, C. C. Reynolds visited each of the nine District Conferences and two District Conventions. Each District Superintendent was kind enough to give him a place on their District Program. The Chairman used this opportunity to explain the possibilities of "Golden Cross Work"; distributed three kinds

of "Golden Cross" Literature; a special Golden Cross Poster; and Golden Cross Envelopes; to the pastors, and urged them to observe: "Golden Cross Sunday" in 1950.

Total raised in 7 Districts in 1950—\$188.25.

In 1951, this Conference Year, the chairman did not visit personally, any of the District Conventions and Conferences; that the cost of cultivation might be reduced. However, the chairman wrote to each District Superintendent early in the year, and requested them as: "District Directors of Golden Cross Work", to direct the attention of pastors—through their Quarterly Conferences, to our "Golden Cross Work," and to urge them to observe "Golden Cross Sunday," on the third Sunday in September this year. Later in the year, we wrote the District Superintendents again near to "Golden Cross Sunday," and requested them to urge their pastors to observe "Golden Cross Sunday" on September 16th. Then we sent to each pastor in the South Carolina Conference, a circular letter—with Golden Cross Envelopes enclosed—and we urged them to observe Golden Cross Sunday, on Sept. 16th. Finally, we wrote the District Superintendents again, three weeks before Annual Conference; urging them to contact each pastor at his Final Group Meeting—relative to our Golden Cross work.

Total raised and reported to the Conference Board in 1951 \$269.35

of the Conference Treasurer, subject to the following recommendations:

The Board of Hospitals and Homes wish to make the following Recommendations as its Objectives and Goals, for the year 1952:

1. That each Pastor in the South Carolina Conference resolve to become "A Participating Member" of the Board of Hospitals and Homes by observing "Golden Cross Sunday," on his Charge, the third Sunday in September, 1952, or a Sunday near to this date, that is locally more convenient.
2. That our Goal for Golden Cross Sunday be a minimum of at least \$5.00 per Charge throughout the South Carolina Conference, in 1952.
3. That we respectfully request the Presiding Bishop to continue the custom of appointing each District Superintendent as: District Director of our Golden Cross Work, on his respective District.
4. That the Conference Board of Hospitals and Homes be empowered to foster and carry on the following Objectives as its Goal for 1952:
 - (a) That the Conference Board, through whatever medium possible, urge each pastor to observe Golden Cross Sunday on the third Sunday in Sept. 1952, which is Sept. 21.
 - (b) That we, The Conference Board, be permitted to use the proceeds on hand and what may be collected, as follows:
 - (1) That the amount now on hand be ordered placed in the hands of the Conference Treasurer and earmarked "Golden Cross Funds"; and
 - (2) That we, The Conference Board, on recommendation of a District Superintendent, as District Director of Golden Cross Work, be herein permitted to draw on the Conference Treasurer and pay as much as possible, of the Hospital bill of any "Participating or Retired Pastor," who needs to be hospitalized in the Conference year 1952; and,

Finally, That the Executive Committee of the Board of Hospital and Homes be herein permitted to decide that the Bill presented is a needy one.

Respectfully submitted,

Calvin C. Reynolds, Chairman
Board of Hospitals and Homes

GENERAL COMMENT

All cash receipts, evidenced by duplicate receipts, was traced to the depository and cancelled checks were checked against the bank statements. One certain cashier check detailed in Item No. 2 of Schedule No. 1 was presented for examination and we have been advised that no dishonored checks were outstanding as at October 18, 1951.

Your Treasurer has complied with the suggestions made in previous audit reports as to the identifying duplicate conference receipts and their relation to deposit slips and has thereby made it more facile to trace monies to the depository.
